On The Beat

2009 Kenyon Police Department Bike Rodeo...

The 2009 Bike Rodeo was a great success despite the weather that we encountered during the rodeo. With the rain, the bike rodeo was moved into the city council chambers. Kids got to meet department staff, talk about bike safety, participate in coloring contests, and each participant received a bicycle helmet. Nevaeh Greseth won a girls bicycle and Logan Meyers won a boys bicycle.

NEW SEATBELT LAW

Minnesota's primary seat belt law went into effect on Tuesday June 9, 2009. This means that all drivers and passengers in all seating positions in the car must be buckled up or in the correct child restraint. If they are not, they could be stopped and ticketed.

Introducing the KPD University

The Kenyon Police Department will begin offering classes to the community starting during the month of July. A class schedule will be available within the next couple of weeks. The classes that are offered will cover topics such as: **Self Defense, Domestic Abuse, Internet Crimes Against Children, Identity Theft, Home Security, and Get to know your Police Department.**

Officer [Name] demonstrating a physical control technique in the city council chambers in conjunction with the training of the new police reserves.

Vehicle Auction Posting...

The Kenyon Police Department is accepting sealed bids on a 1988 Buick Park Avenue. This vehicle is being sold as is and has no warranty (vehicle runs, but needs a new battery). The vehicle can be seen at the Kenyon Police Department. The vehicle has approximately 256,000 miles on it. **Bids are being accepted from June 16, 2009 to June 29, 2009 at 9am.** Bids can be submitted at the Kenyon Police Department or mailed to the department at 709 Second Street, Kenyon MN 55946.
